Order

No. 28/9/85-ILD

Whereas the Lieutenant Governor of Goa, Daman and Diu is of the opinion that an industrial dispute exists between the management of M/s. Kadamba Transport Corporation Limited, Panaji-Goa, and their workman, Shri Madhu V. Nagvenkar, Driver, resident of Khutimal, Sanguem-Goa, in

respect of the matter specified in the Schedule annexed hereto (hereinafter referred to as 'the said dispute');

And whereas the Lieutenant Governor of Goa, Daman and Diu considers it expedient to refer the said dispute for adjudication.

Now, therefore, in exercise of the powers conferred by clause (d) of sub-section (1) of section 10 of the Industrial Disputes Act, 1947 (14 of 1947), the Lieutenant Governor of Goa, Daman and Diu hereby refers the said dispute for adjudication to the Industrial Tribunal of Goa, Daman and Diu at Panaji-Goa, constituted under section 7A of the said Act.

#### SCHEDULE

"Whether the action of the employer, M/s. Kadamba Transport Corporation Limited, Panaji-Goa, in terminating the services of their workman, Shri Madhu V. Nagvenkar, Driver with effect from 31-12-1983 is legal and justified?"

If not, to what relief the workman is entitled to?"

By order and in the name of the Lieutenant Governor of Goa, Daman and Diu.

Subhash V. Elekar, Under Secretary (Industries and Labour).

Panaji, 12th June, 1985.

Order

No. 28/4/85-ILD

The following Award given by the Industrial Tribunal, Goa, Daman and Diu is hereby published as required under the provisions of Section 17 of the Industrial Disputes Act, 1947 (Central Act XIV of 1947).

By order and in the name of the Administrator of Goa, Daman and Diu.

Subhash V. Elekar, Under Secretary (Industries and Labour).

Panaji, 27th April, 1985.

#### IN THE INDUSTRIAL TRIBUNAL GOA, DAMAN & DIU, PANAJI GOA

(Before Dr. Renato de Noronha, Hon'ble Presiding Officer)

1. Shri Waman Pednekar — Workman/Party I

1. M/s Sociedade de Fomento Industrial — Employer/Party II

#### AWARD

Workman/Party I represented by Shri P. Ghodge, President of Goa General Offices and Establishments staff Association.

Panaji. Dated: 16-4-1985

The Government of Goa, Daman and Diu, by its Order No. IRM/CON(15)/77/IT-15/78 dated 5th April, 1978, has referred for the adjudication of this Tribunal of an industrial dispute between the above parties. The schedule annexed to the Order of reference reads as follows:

"Whether the action of the management of M/s. Sociedade de Fomento Industrial Pvt. Ltd., Post Box No. 31, Margao (Goa) in terminating the services of Shri Waman Pednekar Driver with effect from 18-11-1976 is legal and justified?"

If not, to what relief the workman is entitled to?"

2. The case of the workman, as per the statement of claim filed by the Union is, in short, that he was employed as a driver of the employer/Party II, w.e.f. 17-2-1972. On the evening of 13-3-1976, whilst returning home from duty he met with an accident and sustained eye injury. From 13-3-1976 till 17-9-1976, he was under medical treatment and resumed duties on 18-9-1976 after producing medical certificate. On 4-10-1976, the employer did not allow him to sign the muster roll and from that day also did not allot him any work. The workman, therefore, sent a letter dated 3-11-1976, to the employer to clarify his status with the employer. The employer replied and there was correspondence in this connection exchanged between the parties. By his letter dated 26-11-1976, the workman sent to the employer by post the

necessary fitness certificate issued by Dr. Rajadhyaksha, stating that the concerned Officer of the employer refused to accept it. There was further correspondence exchanged and as the Management did not respond to the demand of the workman for reinstatement, the dispute was taken up by the Union before the Labour Commissioner. There were conciliation proceedings in the said office of the Labour Commissioner, which ended in failure and hence this reference.

It is submitted that the termination of the services of the workman is unjustified, illegal and bad in law. It is without any reasonable cause and for no misconduct committed by the workman. Absence of the workman from 13-3-1976 to 18-9-1976 was with the consent and approval of the management; it was rightly treated as leave and he was also paid wages during the major part of the said period. He was only not paid wages after 30-9-1976, though he regularly reported at his work place. It is further submitted that the termination is malafide and without his payment of legal dues under the Act, and, therefore, illegal and bad in law. It is prayed that the workman be reinstated with continuity and full back wages.

3. The employer, in its written statement, has stated that he workman remained absent from duty from 13-3-1976 without sending any intimation to the employer; such intimation was sent on 9-4-1976 informing the workman's inability to attend duties due to severe injury to his left eye and requesting that his absence be treated as leave and that he will report for duty as soon as his eye returns to normal. On 21-5-1976, the workman further informed the employer his inability to attend duties as he continued under medical treatment. He also requested that as no leave was at his credit, his absence be adjusted against future leave. Thereafter, the employer did not hear anything from the workman till 3-8-1976, when he approached the head office for 9 days sick leave from 1-7-1976 to 9-7-1976 on medical grounds. After that the workman remained absent without any intimation till 17-9-1976. On 18th, without informing any of his superiors and without producing any fitness certificate, he signed the muster roll, which was normally in the vehicle section and continued to sign it till 30-9-1976. He adopted the practice of coming to the vehicle section, signing the muster roll without being noticed by anybody and disappearing from the office. During the whole period from 18th to 30th September, the workman did not perform any duties. On 29th September 1976, the In-Charge of the vehicle section saw the workman in the section and asked him to drive the vehicle, which the workman refused stating that he had not fully recovered from his eye injury. Thereafter, he again remained absent without intimation. On 5-11-1976, the workman wrote to the employer making some untrue allegations regarding he being prevented from signing the muster roll from 4-10-1976, though he was attending the office all those days. These allegations were denied by the employer by its letter dated 5-11-76 in which the workman was also advised to report for duty within 24 hours with full fitness certificate, certifying that he is fit to drive the vehicle. The workman, however, failed to report for duty or produce any medical certificate. The employer, therefore, was led to come to the conclusion that the workman had no interest in resuming duties and had voluntarily abandoned the job. This was intimated to the workman by the employer by letter dated 18-11-1976. Further correspondence was exchanged and the employer, by its letter dated 23-11-1976, gave one more opportunity to the workman to resume duties and produce fitness certificate to enable him to prove his bonafide intention of resuming duties. The workman, however, failed to avail of this opportunity also. On 1-12-1976, the employer received a letter dated 26-11-1976 accompanied by a medical certificate issued by Dr. Rajadhyaksha. In this letter it was alleged that one Mr. Nadkarni in the Head Office had refused to accept the said certificate and, therefore, was enclosed in the said letter. As Dr. Rajadhyaksha had made the following remark in the certificate: "He can now resume his duties with caution to avoid work requiring depth perception", he was asked by the employer to clarify the said remark and further to certify whether the workman was fit to carry his job as driver without involving any danger/risks to his work due to the defect stated by him. Dr. Rajadhyaksha replied on 21-12-1976 that continuing of the workman as driver may be dangerous for him and others. The workman sent Dr. Rajadhyaksha's medical certificate and did not report for duty, as he knew that Dr. Rajadhyaksha had declared him unfit for driving vehicle. Even assuming for the sake of arguments, that the workman was interested in resuming duties, the employer was justified in terminating his ser-

vices on the ground of physical unfitness to perform his duties of driver.

It is prayed that:

- The action of the management in terminating the services of the workman on the ground of voluntary abandonment of services by remaining absent in spite of repeated directions to resume duties be upheld;
- That the workman's absence without any intimation from May onwards be treated as an act of voluntarily abandonment of services;
- Even if the Tribunal comes to the conclusion that the workman's action is not voluntary abandonment uphold the employer's action on the grounds of medical unfitness of the workman to drive the vehicle as per the medical report, the only job for which he was employed.

4. Following issues were framed by my Ld. Predecessor:

- Does the Party II prove that the termination of services of Party I is legal and justified? If not, to what relief is he entitled to?
- Does Party II prove that Party I voluntarily abandoned the services,
- Does Party II prove that the Party I was medically unfit to discharge his duties as driver?"

5. On the above issues, the employer led the evidence of Mr. Voikunt S. Raikar, Administrative Manager, and the workman, his own evidence.

6. Shri Raikar, in the course of his evidence, has produced the following exhibits:

E-1: — Letter dated 25-3-1972 appointing the workman as driver w.e.f. 12-2-1972.

E-2: — Letter of the workman dated 9-4-1976 to the employer informing about his eye injury and medical treatment and inability to attend duties from 13-3-1976. He has also informed that he will report for duty as soon as his eye returns to normal and prayed that his absence may be treated as leave.

E-3: — Letter dated 21-5-1976 of the workman to the employer informing that he is still under going medical treatment and since he has no leave at his credit, the overdrawn leave be adjusted against future leave.

E-4 Colly: — Leave application dated 3-8-1976 of the workman supported by medical certificate by Dr. Costa Pereira for 9 days leave from 1-7-1976 to 9-7-1976 due to fever.

E-5: — Registered letter dated 3-11-1976 from the workman to the employer complaining that since 4-10-1976 he has been prevented from signing the muster roll and that no work was allotted to him though he has attended office every day. His October salary also has not been paid to him.

E-7: — Letter of the workman to the employer dated 13-11-1973 in reply to Exh. E-6. In this letter he has clarified that in addition to his disability to work because of his eye injury he also fell sick and was treated by Dr. Costa Pereira as per the medical certificate issued by the latter. He has requested that he may be allowed to resume duties immediately.

E-8: — Letter of the employer to the workman dated 19-11-1976 advising him to approach the Personnel Department to collect his dues since he has not reported for duty and, thereby, voluntarily abandoned the job.

E-9 Colly: — Registered letter with A/D of the employer to the workman dated 23-11-1976, in reply to Exh E-7, informing him that his name has been struck off the muster roll of the establishment. However, a final opportunity is still given to the workman to report for duty within 24 hours, accompanied by a full fitness certificate and in case he is not in a position to produce the medical certificate, at least to produce a certificate from the Directorate of Transport certifying that he is fit to drive the vehicle, failing which the employer's decision to terminate the services of the workman will hold good.

E-10 Colly: — Letter dated 26-11-1976 of the workman to the employer enclosing the medical certificate dated 25-11-1976 issued by Dr. Rajadhyaksha and informing that the said certificate was refused by Mr. Nadkarni from the Head Office when he went to deliver it personally on 26-11-1976 in the morning.

**E-11:**— Letter dated 14-12-1976 of Mr. K. V. Nadkarni from the Personnel Department to Dr. Rajadhyaksha seeking clarification in respect of the medical certificate dated 25-11-76 issued to the workman.

**E-12:**— Letter dated 21-12-1976 from Dr. Rajadhyaksha to Mr. Nadkarni giving clarification asked for. In this letter it is stated that continuing the workman as driver may be dangerous to him and others.

**E-13:**— Registered letter dated 23-11-1976 of the workman to the employer in reply to Exh E-8, stating that the striking of the name of the workman from the muster roll is illegal and requesting to rescind the decision and reinstate him in services; and

**E-14:**— Letter of the employer to the workman dated 15-12-1976 with reference to the letter of the employer Exh E-9 colly. and in reply to Exh E-13.

*In his cross:* Shri Raikar has stated that from 1975 he was given powers by the employer company to appoint and dismiss staff. The letter dated 25-3-1972 appointing the workman as driver in the company; letter dated 22-4-1974 giving him an increment in the salary and letter dated 15-2-1975 further enhancing the salary of the workman w.e.f. January 1975 which were shown to the witness Exh E-1 colly. are all signed by Shri Modu Timblo, the Mg. Director.

Exh W-2 colly. is the registered letter with A/D dated 3-11-1976 written by the workman to the Mg. Director complaining that since 4-10-1976 he has been prevented from signing the muster roll and is also not allotted any work.

Exh W-3 is the same as Exh E-6.

Exh W-4 is the same as Exh E-7.

Exh W-5 colly. is the same as Exh E-10 colly and Exh. E-13.

Exh W-6 colly. is the registered letter with A/D dated 7-1-1977 addressed by the workman to the employer requesting once again to allow him to resume duties.

He has stated that, although in the letter Exh W-3 (or E-6) it is mentioned that the production of fitness certificate is *generally required*, it is a must when an employee resumes duty after a long period of sickness and so the word *generally* used in the said letter means *always*; the workman was working in the motor vehicle department where there are 10-12 employees mainly drivers and mechanics; the department has a head, who is supposed to check the muster roll before sending it to the Personnel Department, after 10 minutes of the office time every day. He has denied the suggestion that the workman signed the muster roll with the knowledge of the head of the department. After signing the muster roll the workman disappeared from the office and nobody investigated since he was the driver of the Mg. Director and it was assumed that he might have gone to him. Only on 29-9-1979 they came to know that the workman not reporting to the Mg. Director, when Shri Ajit Lotlikar, who is In-charge of the vehicles in the Garage Section, noticed that the workman had signed the muster roll and told him to drive a vehicle which the workman refused on the ground that he had not yet recovered from his sickness. He has denied that what is stated above that the workman signed the muster roll and refused to drive the vehicle and left the office is not correct. He has further denied that the letter Exh W-3 or E-6 was drafted by Shri Nadkarni because of animosity against the workman and was signed by him without verifying its contents. The vacancies for drivers in the company are filled on the basis of the applications and on the experience of the applicants; no medical examination is demanded from the applicants to show their fitness to drive; the workman was not bound by the usual time of the office. He had his own time table given by the Mg. Director. He has denied that the termination of the workman was pre-terminated on the advice of Shri Nadkarni and later evidence collected to justify it. He has admitted that no retrenchment compensation or other amount was paid to the workman stating that he did not report to the office.

7. The workman too has given his evidence before the Tribunal. He has stated that his duty required him to work even in the late hours of the night; on 12-3-1976, after his duty was over at about 9.30 p. m., after keeping the car in the garage, when he was crossing the railway line near the office he fell down and injured his eye; on the next day i. e. 13th, he sent a message to the company informing of the accident; the company sent him a car; he was taken to Dr. Costa Pereira, and after some treatment, to Dr. Rajadhyaksha in Panaji. After a few days of treatment with

Dr. Rajadhyaksha the Mg. Director told him to go to Bombay and get treatment there; the company made the necessary arrangements for his ticket to Bombay and he was given a letter by Shri Modu Timblo to Dr. Mandrekar in Bombay. He was last examined by Dr. Mandrekar on 11-9-1976 and a certificate (Exh W-8) issued to him. As he was told that he was alright and could join duties, he came to Goa and joined duties on 18-9-1976. He was paid his salary of September 1976 in October 1976. On 4th October he was prevented from signing the muster roll; he was going to work but was not allotted any work; he was given several excuses and one of them is that the Mg. Director, whom he wanted to see, was not available or that he could not see him. This continued during the whole month of October. All the staff was paid except he; he has produced the letter dated 5-11-1976 of the employer to him (Exh W-7) asking him to pay all the expenses alleged to have been incurred by the company. The other facts are all mentioned in his correspondence already brought on record. When Dr. Rajadhyaksha issued him a certificate, he did not examine him afresh but issued the certificate on the basis of the records maintained by him. At the time of appointment he was not medically checked.

*In his cross:* He has denied the suggestion that Dr. Rajadhyaksha examined his eye sight and issued him a certificate. He has admitted that the company was refusing him employment because of non production of fitness certificate regarding his eye sight. He has further admitted that his services were terminated by the company because of the alleged defect in his eye sight.

8. This is all the evidence on record.

From the above evidence one fact is clear, and it was also admitted by the workman: that his services were terminated because, after the accident in which his eye was injured, he did not produce a fitness certificate declaring him fit to drive vehicles. On the contrary, the medical certificate produced by him (Exh E-10 colly.) read with the letter of Dr. Rajadhyaksha Exh E-12, would show that he was unfit to drive vehicles, as such driving could be dangerous to him and others. The above exhibits show that various opportunities were afforded by the employer to the workman to produce fitness certificate either by Doctor or even by the R.T.O. but the workman could not produce any such certificate. Under these circumstances, the employer was justified in not allowing the workman to continue as driver in the company because such continuation could endanger his life and of others. The fact that, at the time of the recruitment of the workman, no medical certificate was demanded by the employer is absolutely irrelevant. The moment the employer, on the basis of the Doctor's certificate, found the workman unfit to drive, he was justified in terminating his services.

9. But has the employer validly terminated the services of the workman?

It is an admitted fact that at the time of the accident met with by the workman, he was putting in more than 4 years of effective service. In spite of various opportunities given by the employer, the workman was not reporting for duty accompanied by a fitness certificate, as directed by the employer. The employer finally informed him that his non reporting would lead him to presume that the workman was not interested in the job and is voluntarily abandoning the same, and, in fact, in para 17 of its written statement, the employer has prayed that the termination of the services of the workman be treated as voluntary abandonment of service or, in the alternative, the said termination be upheld on the ground of medical unfitness of the workman to drive vehicles.

10. According to me, in the instant case, the termination cannot be on the ground of voluntary abandonment of service because the correspondence exchanged between the employer and the workman abundantly shows that the workman never had any intention of abandoning the services; on the contrary, he wanted to report for duty which he could not do because the employer demanded from him, and rightly, the fitness certificate which he could not produce. I have to hold, therefore, that the termination is on the ground of physical unfitness duly certified by the doctor. Letter Exh E-9 colly. dated 23-11-1976 informing the workman that his name has been struck off the roll can be considered as the letter of termination of the services of the workman, although even in this letter the workman was afforded the final opportunity to report within 24 hours accompanied by a full fitness certificate, failing which the decision terminating his services would hold good. Since the workman did not comply with the said direction, the termination stood as previously treated.

11. The Supreme Court Ruling in the case of L. Robert de Souza V/s. Executive Engineer, Southern Railway and another reported in 1982 Supreme Court cases (Labour & Service) page 124 has held as well settled the position in law that if termination is brought about for any reason whatsoever, it would be retrenchment as defined under Section 2(00) of the Act, except if the case falls within any of the accepted categories, i.e.:

- i) Termination by way of punishment inflicted pursuant to disciplinary action;
- ii) Voluntary retirement of the workman;
- iii) Retrenchment of the workman on reaching the age of superannuation. If the contract employment between the workman and the employer concerned contains the stipulation in that behalf; and
- iv) Termination of services on the ground of continuous ill health.

Since the instant case does not obviously fall in any of the excepted categories, it amounts to retrenchment as defined by Section 2(00) of the Act.

Section 25F of the Act prescribes pre-conditions for a valid retrenchment, which admittedly have not been complied with by the employer in this case, namely regarding one month's notice or pay in lieu thereof and payment of retrenchment compensation. Non compliance of pre-conditions would make the termination order illegal and invalid.

12. The consequence of the invalidity of the termination order would be reinstatement of the workman. In the instant case, however, such reinstatement cannot take place as the workman has been declared unfit to drive vehicles, the only job for which he was recruited. I, therefore, pass the following order:

#### ORDER

The termination of the services of the workman is held justified, but illegal and invalid for non compliance of the preconditions of Section 25F of the Act. As the workman cannot for the reasons above stated be reinstated in services, he should be paid a compensation of Rs. 20,000/- by the employer besides costs of Rs. 300/-.
